## **ORCHID MOUNTING SERVICE**

If you prefer your plants to be mounted on a chunk of cork bark then please add £6 per plant for this. Plants will be mounted on to a suitably sized cork chunk

Species already mounted on to live 'orchid trees' are also available to order. These are spectacular in a heated conservatory / reception and feature miniature orchid species selected for their perfume growing on live tropical trees

### **MOUNTED PLANTS**

These are plants that are ready mounted and well established on cork bark chunks, branches, synthetic osmunda (synth) and in baskets etc
