ORCHID MOUNTING SERVICE

If you prefer your plants to be mounted on a chunk of cork bark then please add £6 per plant for this. Plants will be mounted on to a suitably sized cork chunk

Species already mounted on to live 'orchid trees' are also available to order. These are spectacular in a heated conservatory / reception and feature miniature orchid species selected for their perfume growing on live tropical trees

MOUNTED PLANTS

These are plants that are ready mounted and well established on cork bark chunks, branches, synthetic osmunda (synth) and in baskets etc
